JOSIAH BUNDE

I have been performing professionally for over 12 years. I fell in love with magic at age 4, and by age 11 was performing across the Big Island of Hawaii at the Mauna Lani Resort, the Aloha Theatre, and private events throughout the island.

12+ years of professional performance. Performing in Hawaii since age 11.

Now at 23, I perform an entirely original tropical magic show. Every routine, every prop, and every stage moment was built exclusively for the Magic of Josiah brand.

I was accepted into the Magic Castle Junior Program at 13, the youngest age possible, earning a standing spot at the world-famous Magic Castle.

I am a Board Member of the Society of American Magicians Hall of Fame and Magic Museum, a PCAM Gold Award winner in both stage and close-up magic, and a featured television performer.

Event planners consistently describe working with me as seamless, caring, and unforgettable.

*"I don't just entertain.
I create an experience
people carry with them."*
